

# Apple Agreements

There are two agreements that must be accepted before an app can be submitted to the Apple App Store. These are the **Apple Developer Program License Agreement** and the **Paid Applications Schedule Agreement**. To accept these agreements, the user logged in must be the “Account Holder”. These agreements are renewed periodically by Apple and need to be signed before a new app or app update can be submitted for review.

## Accepting the Developer Program License Agreement

1. Log in to <https://developer.apple.com/account/>
2. Click “Review Agreement” at the top of the page

The screenshot shows a notification banner at the top of the Apple Developer Program dashboard. The banner is orange and contains the text: "The Apple Developer Program License Agreement has been updated." and "In order to access certain membership resources, you must accept the latest license agreement by June 21, 2021." A blue button labeled "Review Agreement" is located in the top right corner of the banner. A red arrow points from the "Review Agreement" button down to the "App Store Connect" section of the dashboard below.
